Re: Freedom of Information Act Request

Dear Mr. Fritz:

Please provide me with a copy of all the telephone records showing incoming and outgoing phone calls, which shows the time and date of all calls for you and all your staff members.

Said records should include all numbers accessible to all staff, employees, and agents of your office, including but not limited to landlines and cell phones made available to them by St. Mary's County.

Please include all responsive documents for the time period of October 4, 2014, to present.

You should know that I am an individual seeking information for personal use and not for commercial use.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public's interest, because it is likely to contribute significantly to public understanding of the operations or activities of the government, and is not in my commercial interest.

As provided for by Section 552(a)(6)(A)(i) of the Freedom of Information Act, please provide your reply within twenty (20) business days.

Thank you for your prompt attention in this matter.

Sincerely,
